When your legs don't work like they used to be fore, can't sweep you off of your feet.

Will your mouth still re-mem-ber the taste of my love?

Will your eyes still smile from your cheeks? And, dar-ling, I

will be lov-ing 'till we're se-ven-ty.

And, ba-by, my heart could still fall as hard at twen-ty-three.

And I’m think-ing 'bout now Peo-ple fall in love in mys-terious ways.
May-be just the touch of a hand.

Oh, me. I fall in love with you ev-'ry single day.

And I just wanna tell you I am.

So, honey, now take me in to your loving arms.

Kiss me under the light of a thousand stars.

Place your head on my beating heart.

I'm thinking out loud may-be we found love right where we are.

When my hair's all but gone and my memory fades and the crowds don't re-mem-ber my
name.

when my hands don't play the strings the same way... Mmm...

I know you will still love me the same.

'Cuz, honey, your soul can never grow old, it's ever-green.

And, baby, your smile's for ever in my mind and memory.

I'm thinking 'bout how people fall in love in mysterious ways.

Maybe it's all part of a plan.

I just keep on making the same mistakes...
hop-ing that you'll un-der-stand.

But ba-by now...

take me in to your lov-ing arms.

Kiss me un-der the light of a thou-sand stars.

Place your head on my beat-ing heart.

I'm think-ing out loud may-be we found love right where we are.
